

Dear sir,

Please see the:

**Proposal for Web site Development / Software Development / BULK SMS /
Transactional SMS / Short Code or any other services.**

We would like to introduce ourselves as a leading IT service provider of the eastern region. We are working in the field of web applications, website development, software development, BULK SMS, Short Code and ITES services.

Our company has introduced some attractive packages for individual professional firms, Doctors, NGO's, Schools, and Hospitals for above said services.

Our Current Services:

1. Website Development
2. Hosting Services
3. Customised Software Development
4. Promotional BULK SMS
5. Transactional BULK SMS especially for Schools and Educational Institutions.
6. Short Code
7. Call Centre
8. Email Marketing
9. Toll Free Number

Thanking You
For GnG Group
